

Reminder

Only a grown-up should use the scissors and cutting knife.

What You'll Need

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Cutting knife
- Wooden dowels or bamboo skewers
- Masking, duct, or craft tape

How To Make it

1. Print out the following pages on cardstock and have a grown-up cut them out.
2. Affix a wooden dowel or bamboo skewer to the back of each photo prop with heavy-duty tape such as masking, duct, or craft tape.
3. For the mini umbrella photo prop, we recommend affixing the wooden dowel along the umbrella handle.
4. For the heart-shaped sunglasses, have a grown-up carefully cut out the gray "lenses" with a cutting knife.
5. For the "Meant to Be" sign, have a grown-up cut the heart along the white dotted line and affix a wooden dowel to the back of each piece.
6. Use the props and accessories to dress up photos!
